*The app where investors connect by location, near where you live*

1,000+ attendees. The National Private Lender Expo/Real Estate Conference/Networking Event is where private lenders from across the country assemble and meet face-to-face in the exhibitor hall with major players in the commercial and residential real estate industry. Connect with private lenders actively deploying capital for your next deal. Enjoy interesting speakers from leading private lending and distressed debt investing institutions. Meet real estate owners, developers, managers, operators, distressed debt investors, private investors from across the country seeking commercial bridge loans, residential fix/flip loans and business capital for their next deal.
